

WHY IS OUR DELEGATE PUBLICLY CRITICIZING MY CONTRIBUTION TO CHARLIE RANGEL???

Last week our Delegate ran an expensive attack ad
criticizing a political contribution I made from a Florida address.

I used a check from Enterprise National Bank in Florida
a bank I own that gives its profits to the
American Cancer Society.

The contribution I made was to none other than
New York Congressional Representative

Charlie Rangel

Founding member of the National Black Caucus.

My donation was in support of our Delegate Christensen
at the request of her associates

Who Brought Congressman Rangel to the Virgin Islands!

Does Delegate Christensen want
Congressman Rangel to know
She is criticizing contributions made to him???

Is this how to make friends in Congress???

(No Delegate in Congress has EVER done this)

**WHAT DOES THIS DO FOR HER PROSPECTS FOR
ADVANCEMENT???**
